

Hillsboro

INDEPENDENT SCHOOL DISTRICT

January 3, 2022

Dear HISD Families and Friends,

We hope everyone had a very Merry Christmas and all are ready to begin this new year. We want all our HISD staff and students to remain healthy as we begin our Spring Semester.

Upon medical advice, HISD COVID guidelines have been revised. The District will follow current CDC recommendations in addressing the disease. If a student or employee has been exposed to COVID or has tested positive, they are to quarantine for 5 days and may return to school on the 6th day with a correctly worn mask for 5 additional days. The initial 5 days begin from the onset of symptoms (or if symptom free 5 days from the positive test). If he/she has been vaccinated, he/she does not need to stay at home unless symptoms occur and then the same protocol is to be followed. If a student or employee is vaccinated and a family member contracts COVID, we ask that the exposed person wear a mask at school for at least 5 days. We appreciate your cooperation in this matter!

If you have any questions or concerns, please do not hesitate to contact us at 254-582-8585.

Sincerely,

A handwritten signature in blue ink that reads "Vicki Adams". The signature is written in a cursive, flowing style.

Vicki Adams
Superintendent HISD
