

HISD NOW SERVING MEALS AFTERSCHOOL

Dear Parents,

We are thrilled to share with you that Hillsboro ISD is now offering free afterschool meals to all students! We know that dinner can be a hectic and challenging time for families as students participate in afterschool activities, studying or tutoring that can delay their arrival home. Now, as a part of our expanded afterschool meals program, all students are eligible to receive a meal for free at school.

To participate, students must:

- Be enrolled in Hillsboro Public Schools with valid School I.D. and
- Show up at Hillsboro Jr High School between the hours of 3:30pm – 4:30pm
 - District is area eligible and any student within the district can attend supper program at HJHS

Students do not need to be participating in an afterschool enrichment activity to receive an afterschool meal but we do encourage and have plenty of afterschool enrichment activities for students to take advantage of.

Our school cafés have great tasting and healthy meals that will fuel your student through the end of the day. A few highlights we are particularly excited for students to try include:

- Spaghetti with Meat Sauce
- Chicken Sandwiches with Sweet Potato Fries
- Chicken Quesadillas with Tomato Salsa

We are excited to serve your student in a new way through afterschool meals! If you have any questions about the program or menu, please do not hesitate to reach out.

Sincerely, Stewart Murray Food Service Director – murray@hillsboroisd.org
