## INDEPENDENT SCHOOL DISTRICT

November 17, 2021

Dear HISD Families and Friends,

It is important that we keep our students and staff healthy during and beyond Thanksgiving and Christmas breaks. Because of our district's focus on keeping the spread of Covid-19 variants to a minimum, if students or staff leave the country during the holiday breaks, we ask them to quarantine for ten days upon return or until the 7th day with a negative COVID test. If vaccinated, students and staff are not required to stay home unless experiencing COVID-like symptoms. COVID numbers in Hill County have decreased, and we pray that trend will continue, especially with the holidays approaching.

Now for the good news: if COVID cases stay on the decline after the holidays, we hope to return to a normal spring semester. We will watch the trends after returning from the holidays and seek medical advice before this happens. This will include inviting parents back into our schools for special events.

HISD wishes you all very blessed holidays, which includes you remaining safe and healthy.

Sincerely,

Vicki Adams  
Superintendent HISD
